Jenna Fliszar
Candidate for Daytona Beach Resort Board of Directors

I am a seasoned attorney with nearly 15 years of legal experience, a strong background in litigation and governance, and a proven track record of leadership and fiscal responsibility. A graduate of Rutgers University School of Law-Camden, I have dedicated my career to legal advocacy, financial oversight, and organizational leadership. As the owner of Fliszar Law Office for over a decade, I have successfully managed my own law firm, handling complex litigation in criminal defense and children and youth matters. In addition, I serve as an Assistant City Solicitor for Bethlehem, PA, where I head the Litigation Section, overseeing legal matters for multiple city departments, including the police, fire, and emergency services.

Beyond my legal work, I have served on the Bar Association of Lehigh County Board of Directors since 2016, taking on key leadership roles, including Chair of Bar Memorials and Chair of the Criminal Law Committee, as well as serving on various other committees. As a past Treasurer for the Bar Association, I spearheaded efforts to enforce fiscal responsibility, closely reviewing budgets, analyzing profits and losses, and passing measures that significantly cut spending while strengthening the organization's financial position.

My qualifications include:

✓ **Legal & Governance Expertise** – Nearly 15 years of litigation experience, including criminal defense, children and youth cases, and municipal law, with a deep understanding of compliance and legal oversight.

✓ **Proven Leadership & Board Experience** – I serve on multiple boards, including the Bar Association of Lehigh County, where I previously served as Treasurer and am the current President-Elect, and Lehigh Valley Pre-Trial Services. I understand how to run organizations efficiently and fairly.

✓ **Financial Oversight & Fiscal Responsibility** – Successfully managed budgets, cut unnecessary spending, and improved financial stability as Treasurer of a major professional organization. My experience handling budgets, contracts, and legal disputes makes me well-equipped to ensure DBR's finances and operations are handled with transparency and fiscal responsibility.

✓ **Advocacy & Accountability** – A career built on fighting for fairness, transparency, and responsible leadership in both public and private sectors. As a criminal defense attorney, I ensure justice and due process. I will advocate for fair policies and responsible management at DBR.

✓ **Commitment to Community Improvement** – Whether in my legal career or my 20 years in animal rescue and advocacy, I have dedicated my life to improving the communities I serve. I will work to address the challenges DBR faces and improve the experience for all owners.

VOTE FOR OUR EXPERIENCED TEAM: VENKAT LYER, TED THULI, JENNA FLISZAR, AND TOM VENTURA. We as a group believe in each other; we work well together, and we have real world professional experience that compliments each other which is desperately needed at DBR. Our dedication to increased transparency for owners, efficiency with vendors and contracts, along with our strong financial and business acumen, will be a positive change all owners and the property will benefit from. Vote for a team that will show up and work together for YOU!
